Bless Members of NIC Chapter 333 With Your Business & Be Blessed!

This bookmark is a gift from a fellow Christian who believes it is more blessed to give than receive.

“Networking In Christ is a ministry whose mission is to strengthen and prosper the Body of Christ for the good of all people, for the spreading of the Gospel and for the glory of God.”

Our focus currently is in two areas. We help Christians in business to prosper with the understanding that as Christians prosper, the Great Commission will be funded. And for the same purpose, we help unemployed and under employed Christians find work.

This is done by establishing and maintaining individual support chapters of up to 40 members per chapter. Our vision is to see both NIC Business Referral Chapters and NIC Available Talent Chapters established and serving every community of every nation.

Visitors are always welcome at NIC meetings. For information
