### **DAILY PRAYER FOR NIC**

Precious Lord, thank you for Your vision for Networking In Christ. May Your blessings, protection and prosperity be upon each member, their family and clients. May each chapter grow rapidly to at least 40 members sold out to be a light for Your Kingdom. Since Jesus came that we may have life and life more abundantly, I pray and believe that You will bring NIC members abundant business and job referrals and that weekly, the number of referrals passed in my chapter will increase. I lift up the NIC board of directors and staff and pray that You will give them eyes to see, ears to hear and strength to implement Your vision for worldwide expansion of this ministry.
