

Leadership Prayer

(For best results, pray daily!)

Father God, help me to lead by Your example. Only as I lead as Jesus led, may I expect others to follow me.

Help me to:

- 1.** Decrease that You may increase as I follow the life and character of Jesus.
- 2.** Surrender all things in my life that are not pleasing to you including my pride, my need to be right and my need to be known.
- 3.** Not feel hurt or wounded when forgotten, neglected or purposely ignored.
- 4.** Not defend myself nor let anger arise in my heart when my good is spoken of as evil, my wishes are crossed, my advice is disregarded or my opinion is ridiculed.
- 5.** Be content with any food, clothing, offering, climate, society, solitude or interruptions by Your will.
- 6.** Never, with pride in my heart, refer to my accomplishments or seek accolades.
- 7.** Never feel envy and question You but always rejoice when I see a sister or brother prosper and have their needs met, while my own needs are not being met.
- 8.** Receive correction or reproof from others and humbly submit inwardly and outwardly finding no rebellion or resentment rising up within my heart towards them.
- 9.** Always honor others regardless of their position in life.
- 10.** Know with such clarity who I am in Christ that I will not fall prey to the darkness of this world.

May my wishes, dreams and plans always come into alignment with Your perfect plans and purposes for my life. May those I lead, see Jesus in me, with such power, that they will want what I have. And should those I lead be placed in a position of leadership, may they choose to lead by my example....only as I have followed You!
