

Networking In Christ is a 501C6 Non-Profit Ministry
www.NetworkingInChrist.com

Dear Pastor,

May I take a minute to offer solutions to some of the difficult areas at our doorstep?

Families face challenges during these unsettling times to function economically as they would like, *Networking In Christ* has developed 3 ways to help.

1. At no cost to the church, we can establish a *Networking In Christ Available Talent Chapter* for your unemployed and under-employed. Members come together weekly to pray for one another, encourage one another and share employment opportunities. When in the job market, everyone comes across opportunities that may not be a good fit for them but could be a good fit for someone else in their NIC Available Talent Chapter.
2. At no cost to the church, we can establish a *Networking In Christ Business Referral Chapter* for the business owners and sales people within your congregation. Members come together weekly to pray for one another, encourage one another and share business referrals.
3. For your business owners and sales people, we can create a directory of church member businesses.

Networking In Christ in cooperation with *TheJoshuaList.com* can create an exclusive print and online directory of church member businesses for a total church investment of \$49.95. The remainder of our production cost is covered by the advertising merchants within the church and they pay only \$49.95 per ad.

As the members of your congregation prosper, the work of your church will be funded!

If you would like to explore establishing a *Networking In Christ* Business Referral Chapter, Available Talent Chapter, Church Business Directory or all three, please contact the undersigned. I will follow up this email in the near future.

With Blessings,

Bill Sawyer
Networking In Christ CEO
Bill@NetworkingInChrist.com
